Loren Elliott - Statement of Faith & Baptism

Valentine's Day & The Bible

"For I am convinced that neither death, nor life, nor angels, nor principalities, nor things present, nor things to come, nor powers, nor height, nor depth, nor any other created thing, will be able to separate us from the love of God, which is in Christ Jesus our Lord." Romans 8:38-39

This month, we celebrate a special holiday: Valentine's Day. I like Valentine's Day because it is a time when everyone stops what they're doing in their busy and hurried lives, and they tell the people who are important to them that they love them!

Most people do more than just TELL those special people that they love them—they DO something to show their love for them. The might give them a fun gift like this teddy bear. They might give them a special valentine's card, or prepare a special meal for their sweetheart. They might even write a love letter to their sweetheart.

Did you know that God has written a love letter to each one of you? The Bible is God's love letter for us. The Bible tells us that God created each of us, and that He loves all of us no matter what! It doesn't matter how many mistakes we make or what kinds of bad choices we make, God will still love us.

God loves us SO much that he sent His son Jesus to live and walk here on the Earth. During his years of ministry, Jesus taught us a great deal about love. Still today, Jesus teaches us that it is not only important to love others, but it is also important to show our love for others.

In the Bible, we find a verse where Jesus said this: **"A new command I give you: Love one another. As I have loved you, so you must love one another."** John 13:34

Isn't it great that we have this amazing love letter, the Bible, to remind us that God loves us and to show us how to love others through the examples of Jesus Christ?

I know that there are many people in your life that you love. I hope that you will do more than just TELL those people that you love them. I hope you will find ways to SHOW those people that you love them EVERY DAY! And I also want you each of you to remember that God has sent YOU a love letter, and in that letter, God promises that He will love you—NO MATTER WHAT!
